

1. LISTING FEES

1.1. EQUITY

Fee components	Fees
----------------	------

Initial listing fee* \$10,000

* 50% of the Initial Listing Fee shall be paid in advance when documents are filed with AIX for the assessment of the Issuer on listing eligibility. Such an advance payment is non-refundable regardless of the assessment results.

Initial admissions to trading fees*:

Market capitalization	Fees
Up to \$50m	0.06%
\$51m-\$100m	\$50,000
\$101m-\$250m	\$75,000
\$251m-\$700m	\$100,000
Above \$700m	\$200,000

* Based on market cap on the day of admission to trading (opening price × total shares on issue). In the absence of trades on AIX, prices from other stock markets or other valuations at discretion of AIX shall be used.

Annual admissions to trading fees*:

Market capitalization	Fees
Up to \$50m	0.02%
\$51m-\$100m	\$10,000
\$101m-\$250m	\$20,000
\$251m-\$700m	\$30,000
Above \$700m	\$40,000

* For new listings: based on market cap on the day of admission to trading (opening price × total shares on issue) for the first year. Admission to trading shall be the date of admission indicated in the application. For existing listings: based on market cap on the closing price of the first business day of the new year (closing price × total shares on issue) thereafter. In the absence of trades on AIX, prices from other stock markets or other valuations at discretion of AIX shall be used.

1.2. OTHER EQUITY LISTINGS

Please contact us at markets@aix.kz for details.

The pre-IPO segment issuers shall be charged for the Initial Listing Fee in full and 50% of the Initial Admission to Trading Fee. The remaining 50% shall be paid upon the earlier of 1) the Admission to Listing and Trading in segment other than Pre-IPO Listing, as adjusted to the market cap as at the Admission date in segment other than Pre-IPO Listing; 2) Securities being de-listed from Pre-IPO Listing segment without further Admissions in other segments. Annual admission to trading fees are not applicable for the pre-IPO issuers but would apply as of the Admission to Listing and Trading in segment other than Pre-IPO Listing.

DEBT PRODUCTS

1.3. PUBLIC DEBT INCLUDING THE WHOLESALE BONDS

* for the purpose of offering under ongoing programme pursuant to the requirements in PR 6.4 of AIX Business Rules. This fee does not apply if the update of the Prospectus is carried out simultaneously with the issuance of next tranche (excluding Structured Products).

4. GENERAL INFORMATION AND CONTACTS

Pursuant to AIX Business Rules (BRG4), AIX may impose on Market Participants such fees as it may from time to time determine and publish by Notice. The fees shall become effective after publication on AIX website and apply starting from 1 January 2023.

- All fees are quoted in US\$. Amounts due shall be paid within 30 calendar days from the date of invoices for payment or e-invoices, whichever is earlier.
- In respect of the new listings, issuers shall pay annual admission to trading fees at a time when admission to trading is obtained on a per day pro rata basis until the end of the first calendar year.
- Annual admission to trading fees for the year following the year of admission to trading shall be due for payment at the beginning of each calendar year.
- Admission of additional securities (new issuance) which are of the same Class of securities already Admitted to Trading (ADS5.2.1(4)) shall be charged according to the initial admission to trading fee scale as an addition to the previous issuance.
- All the fees due by companies domiciled in the Republic of Kazakhstan shall be paid in KZT at US Dollar/KZT exchange rate set by the National Bank of the Republic of Kazakhstan: (1) as of 1 January of each subsequent calendar year for Annual admission to trading fees (2) for all other fees as at the date of an invoice or the date of services provision in the act of acceptance, whichever is earlier.
- The above fees do not include applicable taxes. Value Added Tax shall be charged where applicable.
- Any fees paid to AIX are not refundable for any reason, unless otherwise is expressly provided in AIX Business Rules.
- AIX may at its own discretion waive any of the initial and/or annual fees herein for certain categories of Public Sector Issuers.
- Overdue invoices shall, at AIX's discretion, bear interest at the rate as specified in a Notice issued by AIX, but not exceeding 20% p.a.
